Dear Friend -

Experiment in Self-Reliance (ESR) is excited to host our 7th Annual Golf Tournament Fundraiser at Winston Lake Golf Course on Friday, October 21, 2022. The tournament, a time we look forward to each year, is a great opportunity to come together with our colleagues and partners to raise awareness about our services and provide funding to further our mission.

Support from our golf tournament provides life-changing services to those whom we are privileged to serve. ESR's cutting-edge programs help our clients eliminate the barriers that prevent them from being successful, such as reliable childcare, affordable housing, education level, financial education, and more. Your participation in our golf tournament fundraiser will help us continue to provide these services to our clients. Our goal is for every individual and family with low to moderate income to have access to education, housing, homeownership, and free tax preparation. We can't do it without your support!

Please see the attached sponsorship packet for additional information. You may also learn more and sign up to play by visiting our website at www.eisr.org/events or call us at 336-722-9400.

We thank you for your consideration in supporting this event and our mission. Your support truly makes a difference!

We hope to see you on October 21 on the course!

Fred Bazemore
